

ANANYA GUPTA

+91 6006623522 | ananyagupta315@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Aspiring Full Stack Developer pursuing a BCA (Mobile Application and Web Technology). Skilled in React.js, JavaScript, Node.js, Firebase, MongoDB, SQL, HTML, CSS, and REST APIs. Completed multiple internships in web and full-stack development, and built projects including a weather app, expense tracker, and personal portfolio. Passionate about building responsive web applications and continuously learning new technologies.

TECHNICAL SKILLS

Programming Languages: HTML, CSS, JavaScript, SQL

Frameworks & Libraries: React.js, Node.js, Express.js, Tailwind CSS, Bootstrap, Material UI

Databases: Firebase, MongoDB

Tools: Git, GitHub, VS Code

PROJECTS

1. SkyCast Weather App [Demo](#) | [Source Code](#)

Tools: React.js, Node.js, Tailwind CSS, OpenWeather API

- Built a real-time weather app showing current conditions and a 5-day forecast, with temperature, humidity, wind speed, and visibility on a dynamic, responsive UI.

2. Expense Tracker [Demo](#) | [Source Code](#)

Tools: React.js, Firebase, Chart.js

- Built an expense-tracking app with add/delete transactions, category-wise charts, CSV/PDF export, and Firebase Authentication for secure login.

3. Personal Portfolio [Demo](#) | [Source Code](#)

Tools: React.js, Tailwind CSS

- Designed a fully responsive personal portfolio with modern UI/UX to showcase projects, skills, and achievements.

4. Zerodha Clone [Demo](#) | [Source Code](#)

Tools: HTML, CSS, JavaScript

- Built a responsive Zerodha landing page clone focused on clean UI design similar to the original site.

EXPERIENCE

Full Stack Engineering Intern – Zethata Algorithm Private Limited

Jun 2026 - Aug 2026

- Worked on four full-stack projects as per company requirements, gaining hands-on experience in both frontend and backend development.

Full Stack Developer Intern – Codec Technologies

May 2026 - Aug 2026

- Built full-stack applications using React.js, Node.js, and Firebase, working on APIs, authentication, and database integration.

Web Development Intern – Codec Technologies

Jan 2026 - Apr 2026

- Learned and implemented HTML, CSS, and JavaScript to build responsive websites and complete assignments.

EDUCATION

Bachelor of Computer Applications (BCA),

2024 - 2027

Specialization: Mobile Application and Web Technology

ICFAI University, Dehradun

CGPA: 7.07 (till semester III)

ADDITIONAL EXPERIENCE & TRAINING

- Front-End Development Intern- **CodAlpha** (Feb 2026 - Mar 2026)
- Web Development Intern- **CodSoft** (Feb 2026 - Mar 2026)
- Web Development Intern- **Codveda Technologies** (Jan 2026 - Feb 2026)
- Web Development Course- **Yhills** (May 2025 - Jul 2025)

CERTIFICATIONS & RECOGNITION

- Letter of Recommendation – **Codec Technologies** (Web Development Internship and Full stack development Intership)
- Letter of Recommendation – **CodeAlpha** (Frontend Developer Internship)
- Full Stack Web Development Internship Certificate – **Codec Technologies**
- Frontend Developer Internship Certificate – **CodeAlpha**
- Web Development Internship Certificate – **CodSoft**
- Web Development Internship Certificate – **Codveda Technologies**
- Web Development Course Certificate – **Yhills**
